OHIO WHITE SULPHUR SPRINGS-AN-OHIO WHITE SULPHUR SPRINGS—ANNOUNCEMENT of the PROPRIETOR for 1860.—The
Obio White Sulphur Springs are situated in Delaware County,
Is miles north of Columnus (the Capital of Ohio), on the Sciente
River, 10 miles from Delaware, 5 miles from White Sulphur Station, on the Springleid, Mr. Vernon, and Pittsburgh Raffitoud,
and 6 miles from Lewis Center Station, on the Cleveland, Columbus, and Cincinnati Reitroad. These Springs will be open for
the reception of visitors from May until October. The gratifying
experience of the past two seasons has fully continued the highest expectations of the proprietor, and encourages tim to persevere in his efforts to make this second to no place in the country.

Bathing here, by the plan adopted, is brought into foir competision with that at naturally warm and hot springs. The water
basted in the bath-tub by steam pipes, the heat not being raised
high enough to precipitate its enits, is applied to the surface of
the bather without the loss of any of its saline ingredient. The
buildings are substantial and convenient. The grounds, eaturating about 150 acres, divided between lawn and woodland, are
tastefully laid off into walks and drives. A Telegraph Office has
been permanently established, connecting the Springs with all
parts of the country. A Lavery, well stocked with horess and
carriages, is statched to the piace. For further information, arrangements for rooms, &c., apply to
